Vintage wine is always a treat, especially when you have the opportunity to drink it on site and spend a night or two immersed in the winery experience. These newly renovated and updated destinations offer the full winery visit experience along with luxe amenities such as a spa and cooking classes or farm-to-table meals and 18 holes of golf. Here's where to fill your wine glass with some of the most updated, renovated wine country resort experiences for 2023.

## Guestroom at Castelfalfi Resort

CASTELFALFI

### Castelfalfi, Tuscany

A member of [Preferred Hotels & Resorts](#), this sprawling Tuscan escape debuted a newly-renovated estate this year. The resort sits in the heart of a medieval village that is surrounded by 2,700 acres of protected vineyards, olive groves, lakes and a wildlife preserve. Here, it's a bit of a choose-your-own-adventure setup with the option to book (or buy) one of the upscale villas or farmhouses. Or, you can simply go the standard route and reserve a room or suite in one of their two boutique luxury hotels.

Regardless of the choice, you'll get a perfect hybrid of modern-day luxury laced with historic charm. The resort offers some of the best 18 holes in Tuscany on its 27-hole golf course, as well as a spa, three restaurants, 61 acres of vineyards, a winery and an olive farm. Wine tasting and exploring, of course, is always on offer - this is Tuscany after all.
